

## ZIM CARD-SWAP Arrangement

Customize ZIM exactly the way YOU want it. The ZIM card-swap arrangement makes it easy and cost effective - you only pay a modest shipping and handling charge of \$15.00 (\$25 out of the USA).

### Instructions for sending a ZIMcard in to be swapped.

1) Write down your ZIM's serial # in the box below.

- 2) Decide what you want to swap.
- 3) Remove 4 screws and remove bottom.
- 4) Identify the ZIMcard you want to remove.
- 5) Turn hex-standoff counter clockwise and remove.
- 6) Pull the card away from the main board and it will come out.
- 7) Return Hex nut to screw for safe keeping.
- 8) Close ZIM and put screws back in.
- 9) Pack up ZIMcard in a small box with this sheet and payment. USD cash, check, postal money order all acceptable.
- 10) Use address label on Page 2 and mail package.
- 11) Hang in there and wait, it will be about 2 - 3 weeks. You still have one ZIM channel to play through and the other channel acts as a mute! When the new ZIMcard comes it will be like getting a new pedal, a whole new range of sounds will come from your ZIM.

There is no penalty for returning a messed up ZIMcard. Broken parts, bent pins, things missing.. don't worry about it. Each new ZIMcard comes with a new hex nut.

If you would like confirmation when your ZIMcard arrives/ships, write your email address here:
